Wicks-Lim, Jeannette. “Estimates of the Potential Costs and Benefits of Extending Overtime Pay Eligibility to All Farmworkers in Massachusetts.” *Political Economy Research Institute* (PERI) Research Brief (2020).

Pollin, Robert, Jeannette Wicks-Lim, and Michael Ash. "Assessment of Wage Rates, Employment Conditions, and Living Standards for the American Postal Workers." *Political Economy Research Institute (PERI) Research Report* (2019).

"Pedagogical Resources." *JADMAG* Issue 4.2 - What is Political Economy? (2016).

## OTHER RESEARCH EXPERIENCE

*Consultant* 2022  
Massachusetts Teachers Association (MTA)

- Compared trends in unionized higher education workers pay in Massachusetts relative to private sector workers using a variety of datasets
- Composed analyses for use in union bargaining with the state of Massachusetts

*Research Assistant* 2017 - 2018  
SageFox Consulting Group, Amherst, MA

- Managed and analyzed large datasets to evaluate NSF, NIH and other grant funded educational programs, especially those focused on promoting underrepresented minority participation in STEM fields
- Composed reports describing results of analysis

*Data Science Assistant* 2018  
VentureWell, Hadley, MA

- Utilized R to manage and clean survey data from the NSF-sponsored I-Corps program
- Facilitated the migration of new and archived data to the Salesforce Cloud CRM

*Research Fellow* 2016 - 2017  
Hampshire Learning Project, Hampshire College, Amherst, MA

- Conducted qualitative and quantitative data analysis utilizing several databases to evaluate the effectiveness of the Hampshire College curriculum
- Presented results to faculty and staff to advise institutional policy

## TEACHING EXPERIENCE

*Teaching Assistant* 2016 - present  
University of Massachusetts and Hampshire College, Amherst, MA

- Prepared lessons, gave lectures, and graded student assignments
- Taught material from the following courses: Introduction to Macroeconomics, Introduction to Microeconomics, Economic Development, and Political Economy of the Middle East

*Mathematics Tutor* 2015 - 2017  
Quantitative Resource Center, School of Natural Sciences, Hampshire College, Amherst, MA

- Provided homework help for students engaged in quantitative work
- Tutored students in introductory and intermediate college-level math, especially in calculus and statistics

## **SKILLS**

### **Econometrics and Data Analysis**

- Experience with a variety of econometric techniques with a specialty in causal methods such as difference-in-differences, instrumental variables, regression discontinuity, and others
- Skilled in gathering, cleaning, and managing data to prepare for analyses

### **Software and Programming**

- Experience with R, Stata, Python, Microsoft Office Suite, LaTeX, Git, and other software

### **Writing and Communication**

- Ability to compose extended essays and reports
- Experience giving presentations on research

## **FELLOWSHIPS, GRANTS AND AWARDS**

**University of Massachusetts, Amherst Summer Doctoral Fellowship**, 2019 - present

**Lester Mazor Honorific Grant**, 2016

**Global Migrations Grant**, 2016

**Community Partners for Social Change Social Justice Scholar Grant**, 2016

## **INTERESTS**

Labor Economics; Economics of Race and Gender; Economic Development
